EQUIPMENT RENTAL PRICE LIST

MOOVIE EQUIPMENT RENTAL - APRIL 2024

All prices listed on this catalog are intended for a **rental period of one day, VAT not included**. There is no different price for a half-day, but we do apply several discounts for all clients.

To request information and quotes, you can contact the specific departments directly:

CAMERA mdp@moovie.it

LIGHT & GRIP lightandgrip@moovie.it

SOUND sound@moovie.it

For general requests: info@moovie.it

New clients

In order to receive a formal quote, every new client must provide the person or society's name the quote is to be registered to and who will assume responsibility for the rented equipment. Generally, after the Order confirmation the recipient cannot be changed.

The first rental must be paid in advance.

[A NEW CLIENT'S PERSONAL DATA CAN BE ENTERED HERE AUTONOMOUSLY](#)

We offer the following discounts

- For rentals of taxable amount (VAT excluded) higher than €250 there is a 10% discount;
- For amounts higher than €500 the discount is 15%;
- For amounts higher than €1000 the discount is 20%;
- If the rental is of audio equipment exclusively, a discount of 15% will be applied also to amounts lower than €500;
- If the rental is for a period of more than four days, we reserve the right of offering further reductions.

For audio-visual training institutes and for students presently enrolled in universities or professional institutes in the field, if they request it, the discount offered is: 10% to amounts lower than €200, 15% to amounts higher than €200, 20% to amounts higher than €500 (VAT excluded).

If you intend to register the rental to the training institution or university, you must provide an authorisation signed by the institution's administration (a student cannot request a rental to be registered under the name of its school without any proof of an agreement with it).

In any case, discounts are not cumulative.

Picking up and returning the equipment

Except for specific agreements, rented equipment must be picked up between 2.30pm and 5.30pm of the day before the beginning of the rental period or upon the morning of the first day of the rental period. The equipment must be returned between 8am and 10am of the day after the end of the rental period, or before 6pm of the last day of the rental period. You can access the premises with cars and vans at 41, Corso San Gottardo, 20136 Milan (MI) or request a quote for the delivery service and the equipment pick-up.
